Children Making a Nuisance of Them-  
selves in the Hickory Cemetery—  
Shutucket Co. Planting Garden—  
Paved Work Rapidly Progressing—  
Notes.

Many residents in the vicinity of the  
Hickory street cemetery are wondering  
why it is that children are allowed  
to play in the cemetery. Every night  
after school a large number of boys  
flock to the burying ground to play.  
The majority of the young people have  
no relatives buried there, so think  
nothing of walking on the graves,  
climbing upon the gravestones and lit-  
tering the whole cemetery with rub-  
bish. Some of the headstones have  
even been broken by the youngsters.  
It is small wonder that people who  
have loved ones laid to rest in the  
cemetery complain at the desecrations  
committed by the children who are  
allowed to play in the place.

**Shutucket Co. Garden.**  
The Shutucket Co. has ploughed and  
harrowed a large piece of land on  
Prospect street near Second street and  
on Tuesday had a man engaged in  
planting potatoes. Also the company  
has granted the use of some of its  
land for gardens to some of the em-  
ployees and their persons have been  
busily engaged in cultivating their plots.

**Pavement Work Progressing.**  
The North Main street pavement  
work is steadily progressing, the layer  
of crushed rock having been laid from  
Golden street to Folsom hall. The  
excavating done by the steam shovel  
has reached the level near the ledge on  
the west side of the street. The pour-  
ing of the cement will soon be started.

**Notes.**  
The instruction class of the Fed-  
erated church postponed their meeting  
which was to have been held Tuesday  
afternoon.

**NORWICH ROUND TABLE**  
HOLDS ANNUAL MEETING  
E. A. Tracy is Chosen President For  
Another Twelve Months.

Edwin A. Tracy was re-elected pres-  
ident of the Norwich Round Table  
at their annual meeting held Tuesday  
evening with Mrs. Elizabeth B. De-  
vlin and Miss Edna A. Stuart as host-  
esses.  
The roll call was answered and the  
evening's topic was The Advantages  
of Life in the City Over Life in the  
Country. The affirmative was taken  
by Edwin A. Tracy and the negative  
by Miss Mary E. Wattles. During in-  
formation excellent refreshments were  
served by the hostesses.  
The annual election of officers re-  
sulted as follows: President, Edwin A.  
Tracy; vice president, Fred L. New-  
ton; secretary and treasurer, Mrs.  
Mary G. Webster.  
The membership committee compris-  
ing the officers, Mrs. S. Howard Mead,  
and Mrs. John E. Fanning. The pro-  
gram committee comprised William H.  
C. Collins, Fred L. Newton, Mrs.  
Charles C. Gilderleeve, Miss Mary A.  
C. Avery and S. Howard Mead.

## MILITARY OFFICIALS COMING HERE

Will Meet Local Registration Board in Council Chamber This  
Afternoon—The List of Questions That All Males Be-  
tween 21 and 30 Years of Age Must Answer on the Fifth  
of June.

It was announced on Tuesday that  
military officials will come to Norwich  
today (Wednesday) and at 1 o'clock  
this afternoon will meet the local mil-  
itary registration board in the council  
chamber for the purpose of giving the  
board instructions as to the method to  
be followed out in the registration of  
all males between the ages of 21 and  
30 years, inclusive. The local registra-  
tion board which has been appointed  
by Governor Marcus Holcomb con-  
sists of First Selectman C. K.  
Bailey, Town Clerk Charles S. Hol-  
comb and Registrars of Voters Oliver  
D. Guy and Cornelius J. Downes.  
The questions that must be answer-  
ed by those registering on June 5 are  
as follows:

1. Name in full. Age in years. ....  
This means all your names spelled  
out in full.  
State your age today in years only.  
Disregard additional months or days.  
Be prepared to say "19," "25," not  
"19 yrs. 3 mos." or the like.

2. Home address.  
This means the place where you  
have your permanent home, not the  
place where you work. Be prepared  
to give the address in this way: "323  
Broad street, Norwich, Conn., New  
England; that is, give number and  
name of street first, then town, then  
county and state.

3. Date of birth.  
Write your birthday (month, day,  
and year) on a piece of paper before  
going to the registrar, and give the  
paper to him the first thing. Example:  
"August 5, 1894."

If you do not remember the year,  
start to answer as you would if some-  
one asked you your birthday, as "Au-  
gust 5th." Then say "on my birthday  
this year I will be 22 years of age."  
The registrar will then fill in the  
year of birth. Many people do not  
know in which month they were  
born. This may be obtained by the  
registrar by subtracting the age in  
years on this year's birthday from  
the year of birth.

4. Are you (1) a natural-born citi-  
zen; (2) a naturalized citizen; (3)  
an alien; (4) or have you declared  
your intention to become a citi-  
zen (specify which)?

(1) If you were born in the United  
States, including Alaska and Hawaii,  
you are a natural-born citizen, no  
matter what may have been the citi-  
zenship or nationality of your parents.  
If you were born abroad, you are  
still a citizen of the United States if  
your father was a citizen of the United  
States at the time you were born, un-  
less you have expatriated yourself.

(2) You are a naturalized citizen  
if you have completed your natural-  
ization; that is, if you have "taken first  
papers." But you are not a citi-  
zen until you have taken first papers.  
If you have only declared your in-  
tention to become a citizen (that is,  
if you have only "taken out first pa-  
pers"), in the latter case you are only  
a "declarant."

You are also a naturalized citizen if,  
although foreign born, your father or  
surviving parents became fully natu-  
ralized while you were under 21 years  
of age, and if you came to the United  
States under 21 years of age.

(3) You are a declarant if, al-  
though a citizen or subject of some  
foreign country, you have declared your  
oath before a naturalization court your  
intention to become a citizen of the  
United States. Receipt from the clerk  
of the court of the certified copy of  
such declaration is often called "taking  
out first papers."

(4) You are an alien if you do not  
fall within one of the three classes  
above.

5. Where were you born?  
First name the town, then the state,  
then the country, as "Columbus,  
Ohio," "St. Louis, Missouri," "Paris,  
France," "St. Petersburg, Russia," etc.

6. If not a citizen, of what country  
are you a citizen or subject?

This need be answered only by aliens  
and declarants. Hence, under this de-  
claration is not yet a citizen of the  
United States. If an alien or de-  
clarant, state the name of the coun-  
try, "France," "Japan," "China,"  
etc.

7. What is your present trade, oc-  
cupation, profession, or service?  
This does not ask what you once  
did, not what you have done most of  
the time, nor what you are best fit-  
ted to do. It asks what your cur-  
rent job is right now. State briefly,  
as "Farmer," "Miner," "Student," "La-  
borer on farm," "rolling mill," in au-  
tomobile, wagon, or other factory,"  
"Mechanic in automobile factory," etc.  
If you hold office under the state or  
federal government, name the office  
you hold. If you are in one of the  
branches of the government, name  
one of the names hereafter mentioned:  
"Customhouse clerk," "employed in  
the transmission of the mails," or em-  
ployed in an armory, arsenal, or navy  
yard," "mariner, actually employed in  
the sea service of citizen or merchant  
within the United States."

8. By whom employed? Where em-  
ployed?  
If you are working for an individ-  
ual, firm, corporation, or association,  
state its name. If in business, trade,  
profession, or employment for your-  
self, so state. If you are an officer of  
the state or federal government, say  
whether your office is under the Unit-  
ed States, the state, the county, or a  
municipality. In answer to the ques-  
tion as to where you are employed,  
give the town, county, and state where  
you work.

9. Have you a father, mother, wife,  
child under 12 or a sister or  
brother under 18, dependent on you  
for support (specify which)?

Consider your answer thoughtfully.  
If it is true that there is another  
mouth than your own which you alone  
have a duty to feed, do not let your  
military and naval training and the wish  
of the nation to reduce war's misery  
to a minimum. On the other hand,  
unless the person you have in mind is  
solely dependent on you, do not hide  
behind petticoats or children.

10. Married or single (which)? Race  
(specify which)?  
This does not ask whether you were  
once married, but whether you are  
married now. In answer to the ques-  
tion as to your race, state briefly  
whether "Caucasian," "Mongolian,"  
"Negro," "Malayan," or "Indian."

11. What military service have you  
had? Rank? Branch? Years? Na-  
tion or State?  
No matter what country you served,  
you must give complete information.  
In answering these questions, first  
name your rank, using one of the fol-  
lowing words: "commissioned officer,"  
"noncommissioned officer," "private."  
Next, state branch in which you served  
in one of the following words: "In-  
fantry," "Cavalry," "Artillery," "Medi-
